Under French customs law, only the registered owner of the car, direct ascendants, descendants or spouses may drive the car. This law has no effect on the vehicle insurance, which covers all drivers regardless of the relationship to the registered owner.

Driver Licence: The driver must be 18 years of age and hold a full driver licence (no maximum age applies). Renault Eurodrive suggests the acquisition of an International Driving Licence.

Collection of Vehicle: Documentation Required:

1. Passport
2. Drivers Licence
3. Copy of Eurodrive contract

Insurance documents will be issued upon delivery of the vehicle. All vehicles are supplied left hand drive and fitted with all weather tyres. When driving in winter it's the responsibility of each driver to respect the legal requirements in place in each European country visited. Our insurance cover remains the same regardless of whether the car is equipped with snow tyres or not.

If you decide to purchase your own snow tyres you must return the car with its original all weather tyres, otherwise you will be billed for them.

Fuel: All vehicles, delivered outside Paris centre, will be supplied with 10 litres of fuel.

Booking Deposit: A non refundable booking deposit of \$500 is required at the time of placing your reservation. Bookings made within 30 days of the collection date will attract a \$50 late booking fee.

Final Payment: Your order should be finalised in full including return of your leasing forms at least six weeks prior to date of collection. Late return of lease forms may delay the delivery of your vehicle. For bookings within this deadline, please contact our office.

Period of Use: Vehicles delivered from Paris centre can be registered for a maximum of 175 days. Vehicles delivered from Paris Airports can be registered for a maximum of 170 days. Vehicles delivered at other centres and airports can be registered for a maximum of 160 days. Vehicles delivered at London, Munich, Santiago, Vigo and Zurich can be registered for a maximum of 155 days.

Please Note: Days are calculated on calendar days, not 24 hour periods. All vehicles are manual transmission unless otherwise noted.

Refunds: No refunds will be paid for the early return of a vehicle.

Deliveries and Returns: Deliveries and returns within France are free, however charges are applicable to other European cities. Please contact our office for full details.

Extensions will be calculated using Renault DVSE Paris tariff rates and can be as much as double pre-booked rates. Notice of intention to extend must be given at least two weeks prior to the expiry date of the original period, and should include a return address so that updated insurance papers can be forwarded to you. If the extension is not paid for, the vehicle will only be insured for the initial period.

Promissory Note/Draft: Upon receiving your vehicle you will be required to sign a draft to the order of Renault DVSE Paris, equal to the difference between the total price of the delivered vehicle and the amount for the actual use of the vehicle. At the end of the contract the customer may keep the vehicle permanently, in which case Renault DVSE Paris will request a cheque for the said amount from the customer, OR return the vehicle to the centre nominated on the order form.

Cancellation: An administration charge of \$100 in addition to the set cancellation fees will be applied upon the cancellation of a confirmed booking. These additional fees may be as high as \$1,000 to cover costs such as registration, insurance, customs compliance, transportation and any other administration costs which have been incurred in the processing of the booking.
