Currency fluctuation - Due to the low cost of this tour and as payment for a substantial portion of this tour is in foreign currencies we reserve the right to adjust the final cost should the comparative value of the NZ dollar deteriorate. This is only applicable where final payment has not already been received.

Cancellations and amendments - Cancellation of tour after registration - loss of deposit. An amendment fee of \$75, plus any supplier charges will apply for every amendment to your booking after registration. There is no refund for any unused services. For cancellations within 90 days prior to departure - loss of 50% of total tour cost, plus any additional supplier deductions applicable at that time. Cancellation within 45 days of departure - no refund.

Travel insurance - It is recommended that you take out a fully comprehensive travel insurance policy for all travel, however for escorted tours this is compulsory. This insurance is to include cover for loss of deposits as well as medical treatment and special services covers. A special premium discount rate applies for policies issued by us. Where travel insurance is not purchased through us, please note that a claim assistance fee will apply.

It is the responsibility of travellers to acquaint themselves with the destination and official travel advisory notices and obtain their own advice on medical precautions applicable to each destination.
