

# Give Sick Kids the Space to Get Better

Support the Starship Foundation Street Appeal on **Friday 8th June**  
and help us rebuild the cancer ward at Starship.

**Scott**, aged 7 from Wellsford has Neuroblastoma, a cancer of the nervous tissue which only affects children. Since he was diagnosed 18 months ago Scott has spent 15 weeks in Starship's oncology ward undergoing treatment. He misses his family and the animals on the farm he lives on - in particular his cow Freedom. Scott loves to play but sometimes this is difficult as the ward is very crowded. Most of all Scott loves going home.

**Help us give sick kids the space to get better.**

**We need your help to collect donations in your locality.**

You can help us make a difference by simply lending us a few hours of your time.
